As a top ten accountancy firm and leading adviser to entrepreneurs, we work closely with hundreds of entrepreneurial businesses. We also have extensive experience in assisting start-up businesses.

We are entrepreneurs ourselves; RSM Farrell Grant Sparks was established 30 years ago and has grown through a number of successful mergers with other accounting firms, and now has 28 partners and employs over 200 staff in our Dublin, Longford and Belfast offices.

The benefit to you is that we have a thorough understanding of the challenges you will face and can offer a fully rounded business service to meet these.
